# About Us

We are a premier [food delivery in train](#) service that specializes in delivering delicious meals right to your train compartment. Whether you're a busy traveler or just craving some scrumptious food while on the go, Railkafe is here to satisfy your taste buds and make your train journey even more enjoyable. At RailKafe, we understand the unique needs of train travellers.

[illegible]

offers

- **Phone:** Passengers can reach the customer support team through the dedicated helpline number provided on the website.
- **Email:** For detailed queries or feedback, emails can be sent to the official support email address.
- **Contact Form:** An easy-to-use contact form is available on the website, allowing users to submit their questions or concerns directly online.
- **Social Media:** RailKafe maintains active profiles on major social media platforms, providing another avenue for communication and updates.

# Group Orders

RailKafe accommodates group orders, ensuring that large parties receive their meals seamlessly and efficiently. The process for group orders is designed to be straightforward:

1. Advance Booking: Group orders can be placed in advance to ensure availability and timely delivery.

2. Customizable Menus: Options to customize the menu based on the group's preferences and dietary requirements.

3. Special Assistance: Dedicated customer support for managing and coordinating large orders.

4. Flexible Delivery: Ensuring that meals are delivered hot and fresh at designated stops along the train route.

Group orders are ideal for families, corporate travel, school trips, and other large gatherings, offering a hassle-free dining solution on the go.
